

Two-room apartment for sale in the natural frame of Capo Ceraso Resort.

A modern renovation & restyling to give new shine to this splendid two-room apartment for sale in the natural frame of Capo Ceraso Resort.

There will be elegant rooms characterized by plays of light, high-quality materials, the newest home automation systems and wide outdoors where to enjoy the mild Sardinian weather. You'll have also the opportunity to buy the bordering apartment: this way, you can create a four-room apartment to customize following your desires with the help of our architects and artisans.

Thought to be lived all year long, the apartment can be still personalized and represents the best occasion to create your sea house.
